Dear National Delegates,

**Re: Announcer - 2009 World Waveski Surfing Titles**

The organising committee of the 2009 World Waveski Surfing Titles is currently putting together a team to assist in the running of the event which will run from the 5-12 September at Emerald Beach in NSW, Australia.

Member nations who have anyone interested in assisting in the role of event announcer and have previous announcing/commentary experience are invited to submit their name for consideration to the committee. The role of this position is to provide announcements, updates on results, flow of heats and add character to the event and spectators. The position may be job shared with other people. Announcers will be paid accordingly however travel and accommodation costs will need to be borne by each applicant.

We encourage interested parties to consider the invitation and apply as soon as possible. We anticipate that the position of Events Announcer will be confirmed early in 2009.

For any questions and clarification please do not hesitate to contact the organising committee at Waveski Surfing Australia ([worlds09@waveskisurfaust.com](mailto:worlds09@waveskisurfaust.com)).

Yours sincerely

2009 World Waveski Surfing Titles Organising Committee  
Waveski Surfing Australia Inc.
