Dear National Delegates,

Re: Judging Panel – 2009 World Waveski Surfing Titles

The organising committee of the 2009 World Waveski Surfing Titles is currently putting together a team of prospective judges to form the judging panel for the event which will run from the 5-12 September at Emerald Beach in NSW, Australia.

Member nations who have ASP qualified judges that may be interested in assisting with judging for the event are invited to apply. Judges will be paid accordingly however travel and accommodation costs will need to be borne by each applicant.

We encourage interested parties to consider the invitation and apply as soon as possible. We anticipate that the judging panel will be confirmed early in 2009.

For any questions and clarification please do not hesitate to contact the organising committee at Waveski Surfing Australia (worlds09@waveskisurvingaust.com)

Yours sincerely

2009 World Waveski Surfing Titles Organising Committee
Waveski Surfing Australia Inc.
